Preliminary Amendment

Prior to examination, kindly amend the application as follows:

IN THE CLAIMS:

Please add Claims 13-22 as follows:

-13. A security system for a computer connected to a computer network

Sub 13
comprising:

at least one detection means associated with said computer, said detection means
configured to detect an attack on said computer;
a master security system located outside said computer network; and
a secure link between said detection means and said master security system
enabling data communication therebetween; wherein
